David's year

David:

These were my five very good days this year:

The 12th of February was the first day in our new flat. It's great. We've got a new table and chairs and a big TV.

The 5th of April was my birthday. I was 21 this year. There was a party with great music – it was amazing!

The 7th of August was the first day of our holiday. We usually go to a big city, but this year was different. Our hotel was near the sea, and there were mountains and fields. There weren't any cars or buses. It was really quiet.

On the 14th of October in the evening we were at the Thai restaurant near Liverpool Street. Mike, Junko, Wes and Trin were there. The food wasn't cheap … but it was really good.

The 8th of December was my first day at my new job. I work for a food company in London and I often travel to other countries. It's a really good job.
